## **Detach and Keep**

-----  
Dates for shooting your film will be June 5<sup>th</sup> through August 14<sup>th</sup>, 2010.

The Taos Bentley screening is scheduled for September, 2010.

Additional information and tips:

- 1 roll of film = 50feet= approximately 2.5 minutes.
- The film does not capture sound, you supply your own soundtrack prior to screening or:
  - live music/performance is encouraged at the screening.
- You have one week to reserve a camera and shoot your film.
- You will have one chance to shoot your work, there is no editing.
- It is recommended to create a storyboard to layout the structure of your film.
- For best results, shoot outside for best lighting, or pay close attention to good lighting conditions for indoor shooting.
- Awards for the Best of the Festival will be granted at the Bentley Film Festival Screening.
- Have Fun!
